D. Summary of assessment model and how results are used for program improvement (A full Assessment Report is in TaskStream and can be downloaded or viewed by academic year for summation).

The program continues to use a robust continuous improvement action plan to assess student performance and modify aspects of the program or curriculum as a result of the data collected. A copy of the master worksheet for assessment is shown in the appendix.

E. Provide data on student placement (e.g., number of students employed in positions related to the field of study or pursuing advanced degrees).

While no data has been collected, student placement in the field of study is and has always been strong, near 100%.

F. Attach the most recent accreditation or reaffirmation report and a copy of the letter containing the conferral of accreditation to the executive summary.

Please see appendix A for the accreditation letter.
